## INFORMATION SHEET

The Adelaide Rock n Roll Club is made up of people who appreciate 50's & 60's Rock n Roll music and dance, and we promote the social aspects of that interest.

You don't have to be a good dancer, or dance at all to become a member. If you're into the music and would like to be part of the scene, or if you just want information on what's happening around town in the way of dances and events, then joining Adelaide Rock n Roll Club is for you.

Apart from club promoted events, including two club nights of dancing every month, you receive discount admission prices to our many major events and, a copy of the clubs quarterly magazine posted to you.

Just complete the attached application form, and forward it along with fees to the postal address shown. More forms are available for download direct from our website.

Our club also provides dance demonstration teams around Adelaide for corporate or charity events.

We also hire out a wonderful dance floor anywhere in the metropolitan or country areas.
